1 reflect that there are no others wishing to enter an  
2 appearance.

3 Prior to going on the record, the  
4 parties and I discussed that the complainant did not  
5 file rebuttal testimony. Apparently, there may have  
6 been maybe, I am not sure, but the complainant did  
7 state that he did not receive respondent's direct  
8 testimony although it was filed on e-Docket.

9 I am going to reset the schedule  
10 where the respondent is going to serve the  
11 complainant by July 9, 2010. That's this Friday.  
12 And then I am going to give Mr. Grason an opportunity  
13 to submit rebuttal testimony.

14 The rebuttal testimony will be due on  
15 July 23, 2010, by 5:00 P.m. Also, there is some data  
16 requests that the respondent states that the  
17 complainant did not respond to. He will resend the  
18 data request. The deadline will also be July 23,  
19 2010.

20 We also have scheduled an evidentiary  
21 hearing for August 17 at 10:00 a.m.

22 Anything else that either party would

1     like to be part of the record here today that I  
2     failed to mention?

3             MR. DAVIS: I have nothing further, Your Honor.

4             MR. GRASON: Neither have I, Judge.

5             JUDGE TAPIA: Thank you. Then I will continue  
6     this case to August 17 at 10:00 a.m. where we will  
7     have an evidentiary hearing. All parties must attend  
8     in person, and by that time all the deadlines should  
9     have been met.

10                     Again, July 9 for the respondent to  
11     refile the direct, and July 23 data request deadline  
12     for Mr. Grason and also his rebuttal testimony.  
13     Thank you.

14                             (Whereupon the hearing in this  
15                             matter was continued until  
16                             August 17, 2010, at 10:00 a.m.  
17                             in Springfield, Illinois.)
